Fragile Empire

In this novel, which is based on the popular television series, "Touched by an Angel," a Pulitzer Prize winning journalist is aided by an angel to surrender to the internal battle raging within. The war could cost her a future with her daughter and granddaughter. Will it take a casualty before this war is over? Will Elizabeth lose what means the most to her? Monica and Tess have more on their minds than helping Elizabeth make the bestseller list.

Lights All Night Long

"It's a great irony that Israel was more secure as an idea than it's ever been as a nation with an army." In AD 70, when the Second Temple was destroyed, a handful of visionaries saved Judaism by reinventing it—by taking what had been a national religion, identified with a particular place, and turning it into an idea. Jews no longer needed Jerusalem to be Jews. Whenever a Jew studied—wherever he was—he would be in the holy city. In this way, a few rabbis turned a real city into a city of the mind; in this way, they turned the Temple into a book and preserved their faith. Though you can burn a city, you cannot sack an idea or kill a book. But in our own time, Zionists have turned the book back into a temple. And unlike an idea, a temple can be destroyed. The creation of Israel has made Jews vulnerable in a way they have not been for two thousand years. In *Israel Is Real*, Rich Cohen's superb new history of the Zionist idea and the Jewish state—the history of a nation chronicled as if it were the biography of a person—he brings to life dozens of fascinating figures, each driven by the same impulse: to reach Jerusalem. From false messiahs such as David Alroy (Cohen calls him the first superhero, with his tallis as a cape) and Sabbatai Zevi, who led thousands on a mad spiritual journey, to the early Zionists (many of them failed

journalists), to the iconic figures of modern Jewish Sparta, David Ben-Gurion, Golda Meir, Yitzhak Rabin, and Ariel Sharon, Cohen shows how all these lives together form a single story, a single life. In this unique book, Cohen examines the myth of the wandering Jew, the paradox of Jewish power (how can you be both holy and nuclear?), and the triumph and tragedy of the Jewish state—how the creation of modern Israel has changed what it means to be a Jew anywhere.

Nothing Is True and Everything Is Possible

Once you date a Russian woman - you're hooked for life. Arrogant? Yes. True? Definitely! And don't just take my word for it - thousands of men who have been with Russian women will tell you the same. Why Russian women are so irresistible? Because they have it all: passion interlaced with love, traditions enhanced by exquisiteness, and intelligence accentuated with sophistication. Who wouldn't want a relationship with a stunning alluring woman based on respect and mutual understanding in a drama-free environment? Russian women are the only ones in the world who can give it to you. Your Russian woman is one of a kind. She knows how to satisfy all your wildest fantasies, yet remain calm, balanced, loving, caring and loyal. She will make sacrifices for the sake of her man's wellbeing; her mission in life is to love and be fully committed to the man she loves, the one whom she proudly calls HER man. She will love you for who you are. Finding a partner is tough, especially if you set your standards high and refuse to settle for anyone less than your perfect woman. You can try: Surfing the web Attending live seminars Using "interactive training" from dating gurus Reading books (lots of books!) Going to Facebook with hopes to find answers Practicing with hundreds of girls at bars/nightclubs Hanging out in the library Buying every program you can find Dating until you drop Watching DVDs & listening to CDs for hours and hours and hours Listening in on a zillion teleseminars. But are you sure you will get the result you are looking for? And are you really ready to waste that much time? Well, you have an alternative. This book gives you an easy system on finding, meeting, dating and making the most beautiful woman yours forever. This system is based on 17 years of professional matchmaking experience which resulted in 780 successful marriages. It offers proven methods supported by real life experiences. This system guarantees your success in capturing Russian Allure and will help you marry a beautiful Russian woman who passionate about you. Your dream of having a loving and passionate relationship doesn't have to be just a dream. You are entitled to have it in your life! "Russian Allure" IS the resource you been looking for showing you HOW to get a woman all men live for!

Tough Love

Medea Georgievna Sinoply Mendez is an iconic figure in her Crimean village, the last remaining pure-blooded Greek in a family that has lived on that coast for centuries. Childless Medea is the touchstone of a large family, which gathers each spring and summer at her home. There are her nieces (sexy Nike and shy Masha), her nephew Georgii (who shares Medea's

devotion to the Crimea), and their friends. In this single summer, the languor of love will permeate the Crimean air, hearts will be broken, and old memories will float to consciousness, allowing us to experience not only the shifting currents of erotic attraction and competition, but also the dramatic saga of this family amid the forces of dislocation, war, and upheaval of twentieth-century Russian life. From the Trade Paperback edition.

From Russia, With Love

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

Power to the People!

DIVPolitical turmoil convulses 19th-century Russia as an assassination, government intrigue, and betrayal force a young student to come to terms with accountability and human integrity. /div

Leadership Tough Love

From the New York Times bestselling author of *A Constellation of Vital Phenomena*—dazzling, poignant, and lyrical interwoven stories about family, sacrifice, the legacy of war, and the redemptive power of art. This stunning, exquisitely written collection introduces a cast of remarkable characters whose lives intersect in ways both life-affirming and heartbreaking. A 1930s Soviet censor painstakingly corrects offending photographs, deep underneath Leningrad, bewitched by the image of a disgraced prima ballerina. A chorus of women recount their stories and those of their grandmothers, former gulag prisoners who settled their Siberian mining town. Two pairs of brothers share a fierce, protective love. Young men across the former USSR face violence at home and in the military. And great sacrifices are made in the name of an oil landscape unremarkable except for the almost incomprehensibly peaceful past it depicts. In stunning prose, with rich character portraits and a sense of history reverberating into the present, *The Tsar of Love and Techno* is a captivating work from one of our greatest new talents.

A Gentleman in Moscow

“Doctor Zhivago . . . Anna Karenina . . . A Hero of Our Time . . . The People’s Act of Love will remind you of all these books . . . Magnificent” (The Washington Post Book World). Set in a time of great social upheaval, warfare, and terrorism, and against a stark, lawless Siberia at the end of the Russian Revolution, *The People’s Act of Love* portrays the fragile coexistence of a beautiful, independent mother raising her son alone, a megalomaniac Czech captain and his restless regiment, and a mystical separatist Christian sect. When a mysterious, charismatic stranger trudges into their snowy village with a frighteningly outlandish story to tell, its balance is shaken to the core. “The narrative drive is amazing. So is the cold clarity of Meek’s imagination.” —Stephen King “Meeks builds multiple narratives to a bloody, satisfying, yet unsettling conclusion. *People’s Act of Love* stands not only as a keenly observed historical thriller but as a resonant tale of how one man’s moral fervor can turn to horror.” —Entertainment Weekly “Meek expertly renders each man’s devotion to the task of securing paradise on earth, and exposes the unsettling affinity between the devout servant of God and the cold, calculating murderer.” —The New Yorker “Set during the waning days of the Russian revolution, Meek’s utterly absorbing novel captivates with its depiction of human nature in all its wartime extremes.” —Publishers Weekly (starred review) “This ingenious, intricate novel, a meditation on grand ideas that is also a suspenseful page turner, avoids that too-easy wonder Russia often inspires in its admirers.” —The New York Times Book Review

The Grand Chessboard

MURDER ON THE ORIENT EXPRESS The Russians wanted to liquidate James Bond—ace British secret agent—in a way that would embarrass England. So they lined up their best team to pull off the job! Tatiana Romanova—an alluring brunette seductress who looks like Garbo although her heart belongs to the State. Red Grant—a renegade Irish hired assassin, who likes to kill for kicks. Rosa Klebb—head of Otydel II, department of torture and death, a hideous woman with a lust for inflicting excruciating torment. The master conspirators devise a trap designed to eliminate Bond on a perilous journey from Istanbul to Paris via the lush Orient Express. A trip on which Bond makes passionate love to one of his captors as he fights desperately to protect his life from the others, while the train speeds towards its ultimate, awful rendezvous with death! JAMES BOND becomes the target of the RUSSIAN MURDER ORGANIZATION, SMERSH The deadly and sinister SMERSH sets a trap to catch and kill James Bond, ace British spy with a weakness for women and wine, and they bait it with a beautiful brunette. But they don't count on her falling in love with her victim after she has seduced him!! "One of the most outrageously entertaining thrillers ever contrived."—New York World Telegram and Sun.

Vaclav & Lena

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Tough Love

Time To Inject Tough Love Into The Conversation The purpose of this book is to bring us back to what leadership is: The role of affecting followers to achieve the organizational goals. Leadership Tough Love introduces ideas and observations that run counter to much current thinking on leadership. Timothy Lupfer takes a sober look at what leaders are and what they aspire to do. He firmly believes the time has come to inject some tough love into the leadership conversation.

Dreams of My Russian Summers

Father Walter Cizek, S.J., author of the best-selling *He Leadeth Me*, tells here the gripping, astounding story of his twenty-three years in Russian prison camps in Siberia, how he was falsely imprisoned as an "American spy", the incredible rigors of daily life as a prisoner, and his extraordinary faith in God and commitment to his priestly vows and vocation. He said Mass under cover, in constant danger of death. He heard confession of hundreds who could have betrayed him; he aided spiritually many who could have gained by exposing him. This is a remarkable story of personal experience. It would be difficult to write fiction that could honestly portray the heroic patience, endurance, fortitude and complete trust in God lived by Fr. Walter Cizek, S.J.

Hillbilly Elegy

"A beautifully written and very lively study of Russia that argues that the political order created by Vladimir Putin is stagnating" (Financial Times). From Kaliningrad on the Baltic to the Russian Far East, journalist Ben Judah has traveled throughout Russia and the former Soviet republics, conducting extensive interviews with President Vladimir Putin's friends, foes, and colleagues, government officials, business tycoons, mobsters, and ordinary Russian citizens. *Fragile Empire* is the fruit of Judah's thorough research: A probing assessment of Putin's rise to power and what it has meant for Russia and her people. Despite a propaganda program intent on maintaining the cliché of stability, Putin's regime was suddenly confronted in December 2011 by a highly public protest movement that told a different side of the story. Judah argues that Putinism has brought economic growth to Russia but also weaker institutions, and this contradiction leads to instability. The author explores both Putin's successes and his failed promises, taking into account the impact of a new middle class and a new generation, the Internet, social activism, and globalization on the president's impending leadership crisis. Can Russia avoid the crisis of Putinism? Judah offers original and up-to-the-minute answers. "[A] dynamic account of the rise (and fall-in-progress) of Russian President Vladimir Putin." —Publishers Weekly "[Judah] shuttles to and fro across Russia's vast terrain, finding criminals, liars, fascists and crooked politicians, as well as the occasional saintly figure." —The Economist "His lively account of his remote adventures forms the most enjoyable part of *Fragile Empire*, and puts me in mind of Chekhov's

famous 1890 journey to Sakhalin Island.” —The Guardian

The Russian Kettlebell Challenge

Two novellas from one of the most exciting writers in contemporary Russia. Horsemen of the Sands gathers two novellas by Leonid Yuzefovich: "Horsemen of the Sands" and "The Storm." The former tells the true story of R.F. Ungern-Shternberg, also known as the "Mad Baltic Baron," a military adventurer whose intense fascination with the East drove him to seize control of Mongolia during the chaos of the Russian Civil War. "The Storm" centers on an unexpected emotional crisis that grips a Russian elementary school on an otherwise regular day, unveiling the vexed emotional bonds and shared history that knit together its community of students, teachers, parents, and staff.

The Education of an Idealist

I first read Mikhail Bulgakov's *The Master and Margarita* on a balcony of the Hotel Metropole in Saigon on three summer evenings in 1971. The tropical air was heavy and full of the smells of cordite and motorcycle exhaust and rotting fish and wood-fire stoves, and the horizon flared ambiguously, perhaps from heat lightning, perhaps from bombs. Later each night, as was my custom, I would wander out into the steamy back alleys of the city, where no one ever seemed to sleep, and crouch in doorways with the people and listen to the stories of their culture and their ancestors and their ongoing lives. Bulgakov taught me to hear something in those stories that I had not yet clearly heard. One could call it, in terms that would soon thereafter gain wide currency, "magical realism". The deadpan mix of the fantastic and the realistic was at the heart of the Vietnamese mythos. It is at the heart of the present zeitgeist. And it was not invented by Gabriel Garcia Marquez, as wonderful as his *One Hundred Years of Solitude* is. Garcia Marquez's landmark work of magical realism was predated by nearly three decades by Bulgakov's brilliant masterpiece of a novel. That summer in Saigon a vodka-swilling, talking black cat, a coven of beautiful naked witches, Pontius Pilate, and a whole cast of benighted writers of Stalinist Moscow and Satan himself all took up permanent residence in my creative unconscious. Their presence, perhaps more than anything else from the realm of literature, has helped shape the work I am most proud of. I'm often asked for a list of favorite authors. Here is my advice. Read Bulgakov. Look around you at the new century. He will show you things you need to see.

The Russian Kettlebell Challenge

Both the Soviet Special Forces and numerous world-champion Soviet Olympic athletes used the ancient Russian Kettlebell as their secret weapon for extreme fitness. Thanks to the kettlebell's astonishing ability to turbo charge physical

performance, these Soviet supermen creamed their opponents time-and-time-again, with inhuman displays of raw power and explosive strength. Now, former Spetznaz trainer, international fitness author and nationally ranked kettlebell lifter, Pavel Tsatsouline, delivers this secret Soviet weapon into your hands.

Child 44

A gripping and deftly plotted narrative of family and belonging, *Lights All Night Long* is a dazzling debut novel from an acclaimed young writer "*Lights All Night Long* is utterly brilliant and completely captivating. . . . One of the most propulsive, un-put-downable literary novels I've read in ages."--Anthony Marra, author of *A Constellation of Vital Phenomena* Fifteen-year-old Ilya arrives in Louisiana from his native Russia for what should be the adventure of his life: a year in America as an exchange student. But all is not right in Ilya's world: he's consumed by the fate of his older brother Vladimir, the magnetic rebel to Ilya's dutiful wunderkind, back in their tiny Russian hometown. The two have always been close, spending their days dreaming of escaping to America. But when Ilya was tapped for the exchange, Vladimir disappeared into their town's seedy, drug-plagued underworld. Just before Ilya left, the murders of three young women rocked the town's usual calm, and Vladimir found himself in prison. With the help of Sadie, who has secrets of her own, Ilya embarks on a mission to prove Vladimir's innocence. Piecing together the timeline of the murders and Vladimir's descent into addiction, Ilya discovers the radical lengths to which Vladimir has gone to protect him--a truth he could only have learned by leaving him behind. A rich tale of belonging and the pull of homes both native and adopted, *Lights All Night Long* is a spellbinding story of the fierce bond between brothers determined to find a way back to each other.

The Master and Margarita

Now it's easy to design your own knit! Start with one of the 12 basic pattern recipes for pieces such as a hat, pullover, shawl, scarf, socks, tee, mitts, tunic, or cardigan. Choose nearly any yarn and a stitch pattern from the 85 4-stitch multiple patterns in the stitch dictionary, and you are on your way to your own unique knitted piece. Make cabled mitts, a lace cardigan, a textured stole, a ribbed pullover, or any of over 700 possible combinations. Best yet, you can knit with any yarn that works to a gauge of 3-8 stitches per inch, so you can use that perfect yarn in your stash you've been saving and design just the right project for it. It is so exciting to make your own one-of-a-kind knits, and this book makes it so easy!

Israel Is Real

In Russia, kettlebells have long been revered as the fitness-tool of choice for Olympic athletes, elite special forces and martial artists. The kettlebell's ballistic movement challenges the body to achieve an unparalleled level of physical

conditioning and overall strength. But until now, the astonishing benefits of the Russian kettlebell have been unavailable to all but a few women. Kettlebells have mostly been the sacred preserve of the male professional athlete, the military and other hardcore types. That's about to change, as Russian fitness expert and best selling author Pavel, delivers the first-ever kettlebell program for women. It's wild, but women really can have it all when they access the magical power of Russian kettlebells. Pavel's uncompromising workouts give across-the-board, simultaneous, spectacular and immediate results for all aspects of physical fitness: strength, speed, endurance, fat-burning, you name it. Kettlebells deliver any and everything a woman could want -- if she wants to be in the best-shape-ever of her life. And one handy, super-simple tool -- finally available in woman-friendly sizes -- does it all. No bulky, expensive machines. No complicated gizmos. No time-devouring trips to the gym.

From Russia with Tough Love

OVER 2 MILLION COPIES SOLD MOSCOW, 1953. Under Stalin's terrifying regime, families live in fear. When the all-powerful State claims there is no such thing as crime, who dares disagree? AN INTERNATIONAL BESTSELLER IN OVER 30 LANGUAGES An ambitious secret police officer, Leo Demidov believes he's helping to build the perfect society. But when he uncovers evidence of a killer at large - a threat the state won't admit exists - Demidov must risk everything, including the lives of those he loves, in order to expose the truth. A THRILLER UNLIKE ANY YOU HAVE EVER READ But what if the danger isn't from the killer he is trying to catch, but from the country he is fighting to protect? Nominated for seventeen international awards and inspired by a real-life investigation, CHILD 44 is a relentless story of love, hope and bravery in a totalitarian world. From the screenwriter of the acclaimed television series, THE ASSASSINATION OF GIANNI VERSACE: AMERICAN CRIME STORY.

Horsemen of the Sands

A journey into the glittering, surreal heart of 21st century Russia, where even dictatorship is a reality show Professional killers with the souls of artists, would-be theater directors turned Kremlin puppet-masters, suicidal supermodels, Hell's Angels who hallucinate themselves as holy warriors, and oligarch revolutionaries: welcome to the wild and bizarre heart of twenty-first-century Russia. It is a world erupting with new money and new power, changing so fast it breaks all sense of reality, home to a form of dictatorship-far subtler than twentieth-century strains-that is rapidly rising to challenge the West. When British producer Peter Pomerantsev plunges into the booming Russian TV industry, he gains access to every nook and corrupt cranny of the country. He is brought to smoky rooms for meetings with propaganda gurus running the nerve-center of the Russian media machine, and visits Siberian mafia-towns and the salons of the international super-rich in London and the US. As the Putin regime becomes more aggressive, Pomerantsev finds himself drawn further into the system. Dazzling

yet piercingly insightful, *Nothing Is True and Everything Is Possible* is an unforgettable voyage into a country spinning from decadence into madness.

Words Will Break Cement

Drawing on access to the band's members and their families and associates, recreates the feminist punk activists' fierce act of political confrontation in Moscow, which made national headlines as they were punished for their act of defiance.

Medea and Her Children

A wise, sensitive novel about Russia, exile, family, love, history and fate, this work asks what people owe the place they were born, and in return, what it owes them. A New York Times Editors' Choice, named a Best Book of 2018 by Bookforum, Nylon, Esquire, and Vulture.

The Lady's Handbook for Her Mysterious Illness

A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF 2019 • AN NPR BEST BOOK OF 2019 • ONE OF TIME'S MUST-READ BOOKS OF 2019 • AN ECONOMIST BOOK OF THE YEAR • A WASHINGTON POST NOTABLE BOOK OF 2019 • A PUBLISHERS WEEKLY BEST BOOK OF 2019 "Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world."—President Barack Obama An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former UN Ambassador Samantha Power. In her memoir, Power offers an urgent response to the question "What can one person do?" and a call for a clearer eye, a kinder heart, and a more open and civil hand in our politics and daily lives. *The Education of an Idealist* traces Power's distinctly American journey from immigrant to war correspondent to presidential Cabinet official. In 2005, her critiques of US foreign policy caught the eye of newly elected senator Barack Obama, who invited her to work with him on Capitol Hill and then on his presidential campaign. After Obama was elected president, Power went from being an activist outsider to a government insider, navigating the halls of power while trying to put her ideals into practice. She served for four years as Obama's human rights adviser, and in 2013, he named her US Ambassador to the United Nations, the youngest American to assume the role. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy. Humorous and deeply honest, *The Education of an Idealist* lays bare the searing battles and defining moments of her life and shows how she juggled the demands of a 24/7 national security job with the challenge of raising two young children. Along the way, she illuminates the intricacies of politics and geopolitics, reminding us how the United States can lead in the world, and why we each have the

opportunity to advance the cause of human dignity. Power's memoir is an unforgettable account of the power of idealism and of one person's fierce determination to make a difference. "This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty."—THOMAS L. FRIEDMAN, *The New York Times Book Review* "Honest, personal, revealing... about the development of a young woman's inner strength and self-knowledge."—COLM TÓIBÍN, author of *Brooklyn* and *Nora Webster* "Truly engrossing."—RACHEL MADDOW

Russian Allure

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

Tough Love

Set in New York's Russian émigré community, *Vaclav & Lena* is a timeless love story from a stunningly gifted young novelist. Vaclav and Lena, both the children of Russian émigrés, are at the same time from radically different worlds. While Vaclav's burgeoning love of performing magic is indulged by hard-working parents pursuing the American dream, troubled orphan Lena is caught in a domestic situation no child should suffer through. Taken in as one of her own by Vaclav's big-hearted mother, Lena might finally be able to blossom; in the naive young magician's eyes, she is destined to be his "faithful assistant" but after a horrific discovery, the two are ripped apart without even a goodbye. Years later, they meet again. But will their past once more conspire to keep them apart? From the Hardcover edition.

Unstoppable

Both the Soviet Special Forces and numerous world-champion Soviet Olympic athletes used the ancient Russian Kettlebell as their secret weapon for extreme fitness. Thanks to the kettlebell's astonishing ability to turbo charge physical

performance, these Soviet supermen creamed their opponents time-and-time-again, with inhuman displays of raw power and explosive strength. Now, former Spetsnaz trainer, international fitness author and nationally ranked kettlebell lifter, Pavel Tsatsouline, delivers this secret Soviet weapon into your hands.

The American Lover

#1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for The Daily Beast skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump's impact on the 2018 elections. In the #1 New York Times bestselling Everything Trump Touches Dies, political campaign strategist and commentator Rick Wilson delivers "a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: 'What the hell is going on?'" (Chicago Tribune). The Guardian hails Everything Trump Touches Dies, saying it gives, "more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back." Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump's deceptions and the illusions to which his supporters cling, shedding light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. Publishers Weekly calls it, "a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency." No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and Everything Trump Touches Dies is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (Kirkus Reviews), Everything Trump Touches Dies is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics.

Tough Love

Every summer, young Andrei visits his grandmother, Charlotte Lemmonier, whom he loves dearly. In a dusty village overlooking the vast Russian steppes, she captivates her grandson and the other children of the village with wondrous tales—watching Proust play tennis in Neuilly, Tsar Nicholas II's visit to Paris, French president Felix Faure dying in the arms

of his mistress. But from his mysterious grandmother, Andrei also learns of a Russia he has never known: a country of famine and misery, brutal injustice, and the hopeless chaos of war. Enthralled, he weaves her stories into his own secret universe of memory and dream. She creates for him a vivid portrait of the France of her childhood, a distant Atlantis far more elegant, carefree, and stimulating than Russia in the 1970s and '80s. Her warm, artful memories of her homeland and of books captivate Andrei. Absorbed in this vision, he becomes an outsider in his own country, and eventually a restless traveler around Europe. *Dreams of My Russian Summers* is an epic full of passion and tenderness, pain and heartbreak, mesmerizing in every way.

A Very Stable Genius

Bestselling author and eminent foreign policy scholar Zbigniew Brzezinski's classic book on America's strategic mission in the modern world. In *The Grand Chessboard*, renowned geostrategist Zbigniew Brzezinski delivers a brutally honest and provocative vision for American preeminence in the twenty-first century. The task facing the United States, he argues, is to become the sole political arbiter in Eurasian lands and to prevent the emergence of any rival power threatening our material and diplomatic interests. The Eurasian landmass, home to the greatest part of the globe's population, natural resources, and economic activity, is the "grand chessboard" on which America's supremacy will be ratified and challenged in the years to come. In this landmark work of public policy and political science, Brzezinski outlines a groundbreaking and powerful blueprint for America's vital interests in the modern world. In this revised edition, Brzezinski addresses recent global developments including the war in Ukraine, the re-emergence of Russia, and the rise of China.

With God in Russia

"A collection of stylish daring, tonal mastery and smart, tough love."—New York Times Book Review Trapped in a London apartment, Beth remembers a transgressive love affair in 1960s Paris. The most famous writer in Russia takes his last breath in a stationmaster's cottage, miles from Moscow. A young woman who is about to marry a rich aristocrat instead begins a torrid relationship with a construction worker. A father, finally free of his daughter's demands, embarks on a long swim from his Canadian lakeside retreat. A middle-aged woman cares for her injured mother at Christmas. And in the grandest house of all, Danni the Polish housekeeper catches the eye of an enigmatic visitor, Daphne du Maurier. Rose Tremain awakens the senses in this magnificent and diverse collection of short stories. In her precise yet sensuous style, she lays bare the soul of her characters—the admirable, the embarrassing, the unfulfilled, the sexy, and the adorable—to uncover a dazzling range of human emotions and desires.

The Tsar of Love and Techno

How would you like to own a world class body-whatever your present condition- by doing only two exercises, for twenty minutes a day? A body so lean, ripped and powerful looking, you won't believe your own reflection when you catch yourself in the mirror. And what if you could do it without a single supplement, without having to waste your time at a gym and with only a 150 bucks of simple equipment? How would you like to have an instant download of the world's absolutely most effective strength secrets? To possess exactly the same knowledge that created world-champion athletes-and the strongest bodies of their generation? Pavel Tsatsouline's Power to the People!-Russian Strength Training Secrets for Every American delivers all of this and more.

Leap of Reason

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from “Black Hawk Down” in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, Tough Love makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and

sustain our global leadership.

Everything Trump Touches Dies

"The book moves briskly from one crisp scene to the next, and ultimately casts a spell as captivating as *Rules of Civility*, a book that inhales you into its seductively Gatsby-esque universe." —Town & Country From the New York Times bestselling author of *Rules of Civility*—a transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel With his breakout debut novel, *Rules of Civility*, Amor Towles established himself as a master of absorbing, sophisticated fiction, bringing late 1930s Manhattan to life with splendid atmosphere and a flawless command of style. Readers and critics were enchanted; as NPR commented, "Towles writes with grace and verve about the mores and manners of a society on the cusp of radical change." *A Gentleman in Moscow* immerses us in another elegantly drawn era with the story of Count Alexander Rostov. When, in 1922, he is deemed an

Under Western Eyes

Blockmans examines how the international community's efforts to stabilise the Western Balkans can be restructured.

Triggered

The darkly funny memoir of Sarah Ramey's years-long battle with a mysterious illness that doctors thought was all in her head—but wasn't. A revelation and an inspiration for millions of women whose legitimate health complaints are ignored. In her harrowing, defiant, and unforgettable memoir, Sarah Ramey recounts the decade-long saga of how a seemingly minor illness in her senior year of college turned into a prolonged and elusive condition that destroyed her health but that doctors couldn't diagnose or treat. Worse, as they failed to cure her, they hinted that her devastating symptoms were psychological. *The Lady's Handbook for Her Mysterious Illness* is a memoir with a mission: to help the millions of (mostly) women who suffer from unnamed or misunderstood conditions--autoimmune illnesses, fibromyalgia and chronic fatigue syndrome, chronic Lyme disease, chronic pain, and many more. Ramey's pursuit of a diagnosis and cure for her own mysterious illness becomes a page-turning medical mystery that reveals a new understanding of today's chronic illnesses as ecological in nature, driven by modern changes to the basic foundations of health, from the quality of our sleep, diet, and social connections to the state of our microbiomes. Her book will open eyes, change lives, and, ultimately, change medicine.

Switch & Knit Stitch Dictionary

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

The People's Act of Love

A Terrible Country

Part blistering espionage thriller, part riveting police procedural, and part piercing exposé on social injustice, this second book in the Millennium series is a masterful, endlessly satisfying novel. Mikael Blomkvist, crusading publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.

The Girl Who Played with Fire

From Maria Sharapova, one of our fiercest female athletes, the captivating—and candid—story of her rise from nowhere to tennis stardom, and the unending fight to stay on top. In 2004, in a stunning upset against the two-time defending champion Serena Williams, seventeen-year-old Maria Sharapova won Wimbledon, becoming an overnight sensation. Out of virtual anonymity, she launched herself onto the international stage. “Maria Mania” was born. Sharapova became a name and face recognizable worldwide. Her success would last: she went on to hold the number-one WTA ranking multiple times, to win four more Grand Slam tournaments, and to become one of the highest-grossing female athletes in the world. And then—at perhaps the peak of her career—Sharapova came up against the toughest challenge yet: during the 2016 Australian Open, she was charged by the ITF with taking the banned substance meldonium, only recently added to the ITF’s list. The resulting suspension would keep her off the professional courts for fifteen months—a frighteningly long time for any athlete. The media suggested it might be fateful. But Sharapova’s career has always been driven by her determination and by her dedication to hard work. Her story doesn’t begin with the 2004 Wimbledon championship, but years before, in a small Russian town, where as a five-year-old she played on drab neighborhood courts with precocious concentration. It begins when her father, convinced his daughter could be a star, risked everything to get them to Florida, that sacred land of tennis academies. It begins when the two arrived with only seven hundred dollars and knowing only a few words of English. From that, Sharapova scraped together one of the most influential sports careers in history. Here, for the first time, is the whole story, and in her own words. Sharapova’s is an unforgettable saga of dedication and fortune. She brings us inside her pivotal matches and illuminates the relationships that have shaped her—with coaches, best friends, boyfriends, and Yuri, her coach, manager, father, and most dedicated fan, describing with honesty and affection their oft-scrutinized relationship. She writes frankly about the suspension. As Sharapova returns to the professional circuit, one thing is clear: the ambition to win that drove her from the public courts of Russia to the manicured lawns of Wimbledon has not diminished. Sharapova’s *Unstoppable* is a powerful memoir, resonant in its depiction of the will to win—whatever the odds.
